## GENERAL INTENT

It is the intent of the Board of Commissioners of Cook County that all provisions of this resolution shall apply to all designated officers and/or employees, without regard to race, color, gender, age, religion, disability, national origin, ancestry, sexual orientation, gender identity or expression, marital status, parental status, military discharge status, source of income or housing.

## POSITION CLASSIFICATION AND UNION PAY PLAN

### SALARY SCHEDULES

The salary schedules, including a range of pay for each grade, are set forth in the schedules attached hereto.

In addition, there shall be a salary grade for salaries established by state statute and salary grades, which shall be used for flat or single rates, rather than salary ranges.

### I. ENTRY RATE

A new employee entering the County service shall be paid the minimum salary provided in the salary grade in which the job has been placed. An employee who is separated from the County payroll for reasons other than disability, leave of absence or termination for cause shall be eligible to receive the salary received at the time of separation if the employee returns to the position held at the time of separation within 30 calendar days from the date of separation, unless otherwise required in the relevant collective bargaining agreement.

### II. APPLICABILITY OF STEP PROGRESSION AND STEP PLACEMENT

Employees compensated according to the salary schedules shall be required to work a minimum of one year at each step, except where elsewhere provided for in this section.

In general, the following rules shall apply unless otherwise required in the relevant collective bargaining agreement:

- A. Step advances shall be granted upon completion of one year of continuous service in each step until the maximum salary is reached except as provided for personnel employed at the first step of the following salary schedules and grades:
 

SCHEDULE II	Grades FA through FF
SCHEDULE VIII	Grades CA through CK
SCHEDULE IX	Grades DA through DK
- B. Anniversary step advancement will be effective the first full pay period following the employee's anniversary date.
- C. Eligibility for longevity step advancement and longevity step placement must be in conformance with the years of service requirements established in the respective salary schedules and/or collective bargaining agreements.
- D. Eligibility for step placement for Trades Apprentices shall be in accordance with provisions as set forth in agreement between the County and respective trades.

### III. EXISTING RATES

An employee whose compensation is above the maximum salary of the salary grade in which the job classification has been placed shall not have the salary reduced during the incumbency in the job classification held as of the date of this resolution unless the reduction is authorized by the Cook County Board of Commissioners pursuant to the implementation of shutdown days, a furlough program, unpaid holidays or another program established to address a budget deficit, or loss in salary resulting from unpaid leave or days.

No salary shall be raised if it exceeds the maximum salary of the salary grade in which the job has been placed.

An employee whose salary is within the limits of the salary grade in which the position is placed, but does not correspond to one of the established steps of the salary grade, shall be eligible for an increase to the first established step above the present salary at the time of the employee's next anniversary as required by the applicable collective bargaining agreement.

### IV. TRANSFERS OR CHANGES OF POSITIONS

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary the employee has been receiving at the time of transfer, provided the budget of the department to which the employee has been transferred can accommodate the salary and, if not, the employee shall be eligible to have the salary received prior to the transfer restored at the earliest possible date. Such movement shall not set a new anniversary date.

### V. PROMOTIONS

An employee who is promoted to a position in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary of their existing grade increase at least two steps above the salary received at the time the promotion is made, provided that:

- A. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
- B. The new salary is not below the first step established for the grade to which the employee is promoted.
- C. Years of service requirements are fulfilled concerning longevity step placement. If years of service requirements are met, the employee will be placed at the appropriate step that provides a salary increase that complies with longevity requirements not to exceed five percent (5%).
- D. A previous promotion has not been given within the same fiscal year.<sup>1</sup>
- E. The budget of the department to which the employee is assigned can accommodate the salary.
- F. In all cases, an employee must spend at least 6 months in the job classification from which the employee is being promoted.

---

<sup>1</sup> If an employee has been given a previous promotion within the same fiscal year, the employee shall be entitled to placement in the step of the new salary grade, which will provide a salary increase, at least one step above the salary received immediately prior to the time the promotion is made. However, in all cases, such salary will be in conformity with the provisions of (A), (B), (C), (E), and (F) above. In all cases of promotion, the effective date will set a new anniversary date and a new probationary period unless otherwise required in the relevant collective bargaining agreement.

## VI. DEMOTIONS

The following shall apply to demotions from one grade to another:

- A. An employee demoted to a position in a lower salary grade shall have the rate of pay or salary adjusted in the new position to the same rate of pay of the new salary grade as in the grade from which the employee is demoted. The employee's anniversary date does not change.
- B. An employee promoted to a position in a higher salary grade and subsequently demoted to a position in a lower salary grade, within 6 months of the promotion, shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which the employee was promoted. In such cases, the anniversary date of the employee does not change.

## VII. RECLASSIFICATION OF POSITIONS

An employee whose position is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date. If the salary rate received immediately prior to reclassification is less than the last step rate of the lower classification, the employee shall be entitled to further step advancement.

An employee's salary may not align to a salary rate on the new lower grade. In such cases, the employee will receive the rate of pay closest to that received immediately prior to the reclassification that does not result in a decrease in pay and will advance to the next step of the new grade that provides a salary increase upon the employee's anniversary date.

An employee whose position is reclassified to a lower grade and whose salary exceeds the maximum of the lower grade shall remain at the same salary received prior to the reclassification and be frozen at such rate until the applicable salary range of the new grade is adjusted over time and the employee is placed on a step which exceeds the frozen salary on the employee's anniversary rate.

An employee whose job is reclassified to a higher classification shall be placed in the first step of the higher grade, which is closest to, but not lower than, the employee's salary received at the time of the reclassification. Such action will change the employee's anniversary date. In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified. In no case shall an employee be paid below the minimum salary rate of the higher graded position.

An employee whose job is reclassified to a classification in the same grade shall be placed in the same step the employee was assigned to prior to such reclassification and shall retain the same salary received in the prior classification.

## VIII. UPGRADING OF POSITIONS

An employee whose position is upgraded shall be placed in the first step of the new grade, which is at least the same as the salary the employee was receiving prior to being upgraded.

In all cases of upgrading, the employee shall receive at least the first step of the new grade and shall retain the anniversary date held prior to the upgrade. Upon assignment to the higher grade, employees shall be required to work a minimum of one year at each step, except where elsewhere provided in the respective Salary Schedule. In no case shall an employee be paid below the salary rate of the higher graded position.

## IX. DOWNGRADING OF POSITIONS

An employee whose classification is downgraded shall be placed in the first step of the new grade, which is at least the same as the salary the employee was receiving prior to the classification being downgraded. In no case shall an employee be paid below the minimum salary rate of the lower graded position. The employee's anniversary date does not change.

## X. SALARY RATES BASED UPON FULL-TIME EMPLOYMENT

The salary rates prescribed in the Salary Schedule I are fixed based on full-time service for normal work weeks of 40 hours unless otherwise defined in the applicable collective bargaining agreement. The salary rates of salary schedules other than Schedule I are likewise fixed on the basis of full-time service, with designations as to the constitution of a normal work week left to the department heads involved. For positions, which are classified as Exempt under the Fair Labor Standards Act (FLSA), the normal work week of 40 hours generally applies, but the compensation is intended to be appropriate for the class regardless of variations in the time that may be required to satisfactorily fulfill the responsibilities of the positions.

## XI. PREVAILING RATE POSITIONS

A prevailing rate position is hereby defined as one for which the rate is established under the acceptable evidence of the wage prevailing in industry. Such positions are usually craft, labor, or trade positions, and are not paid under the provisions of the position classification and compensation plan schedules.

## XII. SALARIES AND WAGES OF EXTRA EMPLOYEES

Titles and grades of employees on the Extra Account shall be the same as those of positions on the Regular Account unless authorized in advance by the designated Human Resources Officer. All such positions shall conform to the provisions of this resolution.

## XIII. CONTINUITY OF SERVICE

Any break in County service due to leave without pay for periods in excess of 30 calendar days, all suspensions, layoffs for more than 30 calendar days but less than one year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date. Seasonal employment of less than 120 calendar days in any calendar year shall not be credited toward continuity of service.

## XIV. GENERAL PROVISIONS

All changes in pay shall be implemented the first full pay period following the effective date.

Notwithstanding these provisions as set forth, the Board of Commissioners of Cook County may in its discretion limit the amount of salary increases, step advancements, cost of living increases, or non-compounding cost of living allowances for any or all employees or provide for salary rates in excess of those prescribed. In addition, certain procedures may be in use at the Cook County Health and Hospital System (CCHHS), that are unique to the nature of its operation and may deviate somewhat from these provisions as set forth.

Any change in the job classification title terminology not involving a change in the major duties of the job will not affect the status of the employee, including eligibility for increases within a specific salary grade.

The Board of Commissioners may in its discretion adopt certain procedures in compliance with state guidelines or recommendations related to the compensation of Circuit Court probation service officers. Provisions set in this section are subject to agreed upon collective bargaining agreement. All questions concerning the specific application of the provisions of this resolution shall be interpreted and resolved by the designated Human Resources Officer.

Effective June 1, 2023

# POSITION CLASSIFICATION AND NON-UNION PAY PLAN

## SALARY SCHEDULE

### I. ENTRY RATE

A new employee entering the County service in a non-union classification shall be paid at least the minimum salary provided in the grade step in which the job has been placed. Advanced step hiring above the entry rate for the grade requires a written letter of justification subject to the approval of the designated Human Resources Officer.

An employee who is separated from the County payroll for reasons other than disability, leave of absence, or termination for cause shall be eligible to receive the salary received at the time of separation if the employee returns to the position held at the time of separation within 30 calendar days from the date of separation.

### II. APPLICABILITY OF STEP PROGRESSION AND STEP PLACEMENT

It is the intent of this resolution that full-time employees compensated according to the salary schedules shall be required to work a minimum of twelve (12) consecutive months (twenty days of work is considered a month) at each step, except where elsewhere provided for in this resolution.

In general, the following rules shall apply:

- A. Step advances shall be granted upon completion of twelve consecutive months of continuous service in each step until the maximum salary is reached.
- B. Step advancement will be effective the first full pay period following the employee’s anniversary date.
- C. Eligibility for longevity bonus will be given when an employee reaches the maximum step for the grade of the position. The longevity pay will be effective the first full pay period following the employee’s anniversary date and is determined by the number of years of service at Cook County. The longevity bonus is based on the salary group in which an employee’s rate resides and the years of service. See sample table below:

YEARS OF SERVICE CONTINUOUS WITH COUNTY ONLY

- D. Advanced Step progression requires a written letter of justification subject to the approval of the designated Human Resources Officer.

### III. EXISTING RATES

An employee whose compensation is above the maximum salary of the salary grade in which the job classification has been placed shall not have the salary reduced during the incumbency in the job classification held as of the date of this resolution unless the reduction is authorized by the Cook County Board of Commissioners pursuant to the implementation of shutdown days, a furlough program, unpaid holidays or another program established to address a budget deficit, or loss in salary resulting from unpaid leave or days.

No salary shall be raised without the written approval of the designated Human Resources Officer.

### IV. TRANSFERS OR CHANGES OF POSITIONS

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary the employee has been receiving at the time of transfer, provided the budget of the department to which the employee has been transferred can accommodate the salary. Such movement shall not set a new anniversary date.

### V. PROMOTIONS

Employees promoted to positions shall receive the salary commensurate with the position, duties and experience based on relevant market research or be entitled to placement in the step of the new salary grade which will provide a salary two steps above the salary step prior to the promotion, provided that:

- A. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
- B. The new salary is not below the first step established for the grade to which the employee is promoted.
- C. A previous promotion has not been given within the same fiscal year.<sup>1</sup>
- D. The budget of the department to which the employee is assigned can accommodate the salary.
- E. In all cases, an employee must spend at least 6 months in the job classification from which the employee is being promoted.

In all promotion cases, the effective date will set a new anniversary date and a new probationary period.

### VI. DEMOTIONS

The following shall apply to demotions from one grade to a lower grade:

- A. An employee demoted to a position in a lower salary grade shall have the salary adjusted in the new grade to the rate that is equal to 2 steps lower than the salary received in the previous position but not lower than the lowest rate of the grade for the new position. The employee's anniversary date does not change.
- B. An employee promoted to a position in a higher salary grade and subsequently demoted to a position in a lower salary grade shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which the employee was promoted and never received the promotion. In such cases, the anniversary date of the employee does not change.

---

<sup>1</sup> If an employee has been given a previous promotion within the same fiscal year or has less than 6 months in the job classification from which the employee is being promoted, a written letter of justification is required for final approval by the designated Human Resources Officer.

## VII. RECLASSIFICATION OF POSITIONS

An employee whose position is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date. If the salary rate received immediately prior to reclassification is less than the last step rate of the lower classification, the employee shall be entitled to further step advancement.

An employee's salary may not align to a salary rate on the new lower grade. In such cases, the employee will receive the rate of pay closest to that received immediately prior to the reclassification that does not result in a decrease in pay and will advance to the next step of the new grade that provides a salary increase upon the employee's anniversary date.

An employee whose position is reclassified to a lower grade and whose salary exceeds the maximum of the lower grade shall continue to receive the salary received prior to the reclassification, not be eligible for a longevity bonus and be frozen at such rate until the applicable salary range of the new grade is adjusted over time and the employee is placed on a step which exceeds the frozen salary on the employee's anniversary rate.

An employee whose job is reclassified to a higher classification shall be placed in the first step of the higher grade which is closest to, but not lower than, the employee's salary at the time of the reclassification. Such action will change the employee's anniversary date. In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified. In no case shall an employee be paid below the minimum salary rate of the higher graded position.

An employee whose job is reclassified to a classification in the same grade shall be placed in the same step the employee was assigned to prior to such reclassification and shall retain the same salary received in the prior classification.

## VIII. UPGRADING OF POSITIONS

An employee whose position is upgraded shall be placed in the first step of the new grade which is at least the same as the salary the employee was receiving prior to the classification being upgraded.

In all cases of upgrading, the employee shall receive at least the first step of the new grade and shall retain the anniversary date held prior to the upgrade. In no case shall an employee be paid below the minimum salary rate of the higher graded position.

## IX. DOWNGRADING OF POSITIONS

An employee whose classification is downgraded shall be placed in the first step of the new grade which is at least the same as the salary the employee was receiving prior to the classification being downgraded. In no case shall an employee be paid below the minimum salary rate of the lower graded position. Such action shall not change the employee's anniversary date.

## X. INTERIM ASSIGNMENT

An employee may be temporarily assigned to perform and be held accountable for all of the duties associated with position of a separate and distinguishable title. All such assignments must be preapproved in writing by the designated Human Resources Officer. An interim assignment shall be no shorter than one (1) month and no longer than six (6) months without good cause and the approval of the designated Human Resources Officer but should not exceed nine (9) months.

Interim Assignment Pay shall be afforded in an amount to account for an increase in the employee's current salary by 10% unless a greater increase is needed to bring the employee's current salary up to the first step of a higher graded position, if applicable. The employee's adjusted salary cannot exceed the maximum amount allowable for the higher graded position.

The employee shall continue to receive the interim pay for the duration of the interim assignment. An interim assignment will not change an employee's anniversary date.

## XI. SALARY RATES BASED UPON FULL-TIME EMPLOYMENT

The salary rates prescribed in salary schedule I are fixed on the basis of full-time service for normal work weeks of 40 hours. The salary rates of salary schedules other than Schedule I are likewise fixed on the basis of full-time service, with designations as to the constitution of a normal work week left to the department heads involved. For positions which are exempt from the Fair Labor Standards Act, the normal work week of 40 hours generally applies, but the compensation is intended to be appropriate for the class regardless of variations in the time that may be required to satisfactorily fulfill the responsibilities of the positions. For positions covered by the Fair Labor Standards Act, compensatory time will accrue at a rate of 1½ hours for every hour worked over forty (40) hours in a week.

## XII. SALARIES AND WAGES OF EXTRA EMPLOYEES

Titles and grades of employees on the Extra Account shall be the same as those of the Regular Account unless authorized in advance by the designated Human Resources Officer. All such positions shall conform to the provisions of these resolutions.

## XIII. CONTINUITY OF SERVICE

Any break in County service due to leave without pay for periods in excess of 30 calendar days, all suspensions, layoffs for more than 30 calendar days but less than one year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date. Seasonal employment of less than 120 calendar days in any calendar year shall not be credited toward continuity of service.

## XIV. GENERAL PROVISIONS

All changes in pay shall be implemented the first full pay period following the effective date.

Notwithstanding these provisions as set forth, the Board of Commissioners of Cook County may in its discretion, limit the amount of salary increases, step advancements, cost of living increases or non-compounding cost of living allowances for any or all employees or provide for salary rates in excess of those prescribed. In addition, certain procedures may be in use at the Health and Hospitals System (CCHHS), which are unique to the nature of their operation and may deviate somewhat from these provisions as set forth.

Any change in the job classification title terminology not involving a change in the major duties of the job will not affect the status of the employee, including eligibility for increases within a specific salary grade.

All questions concerning the specific application of the provisions of this resolution shall be interpreted and resolved by the designated Human Resources Officer.

Employees shall lose the floating holiday if they do not use it by the end of the fiscal year in which it accrued or if they leave County service before using it.

All regular employees shall be granted the above holidays, or equivalent paid days off per year.

Should a certain holiday fall on Saturday, the preceding Friday shall be set as the holiday; should a certain holiday fall on a Sunday, the following Monday shall be set as the holiday.

In addition to the above, any other day or part of a day shall be considered a holiday when so designated by the Cook County Board of Commissioners.

Note: Holiday benefits may vary for Cook County Health and Hospital System employees.

## B. SICK AND WELLNESS LEAVE

Sick leave may be used for physical illness, mental health, disability incidental to pregnancy or non-job-related injury to the employee; appointments with physicians, dentists, or other recognized practitioners; or for serious illness, disability, or injury in the immediate family of the employee.

Cook County grants sick leave because an employee is unable to perform assigned duties, or because the employee's presence at work would jeopardize the health of coworkers. Accordingly, sick leave shall not be used for any purpose other than to cover an absence related illness or mental health wellness and shall not be used as additional vacation leave.

All eligible employees shall be granted sick leave with pay at the rate of one working day for each month of service. Sick leave accruals will be carried out in accordance with the bi-weekly payroll system. Employees must be in a pay status for a minimum of five (5) days in a pay period to accrue sick time in that period.

All eligible part-time employees shall be granted sick leave with pay proportionate to the time worked per pay period.

Sick leave may be accumulated to equal, but at no time to exceed, one hundred seventy-five (175) working days except Cook County Health and Hospitals System employees who cannot exceed one hundred fifty (150) days. Each office or department through the Cook County Time and Attendance (CCT) System shall maintain records of sick leave credit and use. Amount of leave accumulated at the time when any sick leave begins shall be available in full, and additional leave shall continue to accrue while an employee is using that which have already accumulated.

Employees on maternity or paternity leave may use sick leave.

After five (5) consecutive non-FMLA sick days, employees shall submit to their department head a doctor's certificate as proof of illness. Employees are not required to disclose medical conditions to department heads (or designee).

The employee has the burden of establishing that an illness or mental health wellness related absence was legitimate. Failure to provide such reasonable evidence of proof of illness or mental health wellness related absence may result in the denial of sick leave benefits or revocation of benefits granted. The employee's supervisor will make the determination as to appropriateness of the sick leave. In addition to denial of sick or wellness leave benefits, where the circumstances indicate that the employee is abusing sick leave, disciplinary measures may be taken.

If, in the opinion of the executive head of the office, department or agency, the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine vacation, sick leave and personal days with approval of the designated Human Resources Officer.

The employee may apply for disability under the rules and regulations established by the Cook County Annuity and Benefit Fund (Fund).

Severance of employment prior to the use of any part of such sick leave terminates all rights to such sick leave accrual and compensation for such sick leave, except in the case of a reduction in force resulting in employees being laid off and recalled from layoff status. If an employee is recalled from layoff status into the same or a new position in the County Agency, as defined in Section Three of the Budget Resolution, from which the employee was laid off, the employee shall receive the full benefit of the sick leave accrual severed from the employee at the time of layoff.

Vacation accruals for employees may vary in accordance with provisions of collective bargaining agreements or existing policies.

Vacation accruals will be carried out in accordance with the biweekly payroll system. Employees must be in a pay status for a minimum of five days in a pay period to accrue vacation time in that period.

All individuals employed on a part-time work schedule of twenty (20) hours per week or more shall be granted vacation leave with pay proportionate to the time worked per pay period.

Employees may use only such vacation leave as has been earned and accrued provided, however, that five (5) working days of the initial vacation allowance may be allowed after the first six (6) months of service for employees who accrue vacation. The heads of the County offices, departments, or institutions may establish the time when the vacation shall be taken.

FLSA Exempt and FLSA Covered non-union employees, except Executive-Level employees as noted in Paragraph 7 of this Section, shall be granted vacation leave with pay for periods as follows.

FLSA Exempt employees shall be advanced the equivalent of ½ of the maximum vacation accrual based upon years of service if hired between June 1st– November 30th on the 1st day of the month following their month of hire. FLSA Exempt Employees hired into Executive-Level Positions who begin working between June 1st – November 30th shall receive two and a half (2 1/2) weeks of vacation on the 1st day of the month following their month of hire. The Chief of the Cook County Bureau of Human Resources shall identify and/or approve Executive-Level position designations. Executive-Level employees may retain a maximum of no more than ten (10) weeks (50 days) of vacation.

Any employee of the County of Cook who has rendered continuous service to the City of Chicago, the Chicago Park District, the Forest Preserves District of Cook County, the Metropolitan Water Reclamation District of Greater Chicago, agencies under the State of Illinois including, without limitation, the University System, the Regional Transportation Agency, the Chicago Transit Authority and/or the Chicago Board of Education shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as employees of the County for vacation credit only. All discharges and resignations not followed by reinstatement within one (1) year shall interrupt continuous service and shall result in the loss of all prior service credit. Credit for such prior service shall be established by filing, with the designated Human Resources Officer, a certificate of such prior service from such former place or places of employment.

In the event an employee has not taken vacation leave as provided under this section by reason of separation from service, the employee’s unused accumulated vacation will be paid out following separation from service. In the event of death of an employee, the employee’s spouse or estate shall be entitled to receive such unused accumulated vacation.

In computing years of service for vacation leave, employees shall be credited with regular working time plus the time of duty disability.

Any Cook County employee returning from military leave in accordance with the Military Service Policy shall be entitled to be credited with working time for each of the years absent due to military or naval service. The veteran’s years of service for

purposes of accrual of vacation time in the year of return to employment with Cook County shall be the same as if employment had continued without interruption by military service.

Holidays recognized by the Board of Commissioners of Cook County are not to be counted as part of a vacation.

In addition, an eligible employee will be entitled to a maximum of seven (7) unpaid days to attend a funeral, make necessary arrangements, or grieve the death of the employee's immediate family or household. Upon such approval, the department shall provide the County Comptroller with the name of any employee on leave of absence. Such leave of absence shall be limited to one month for every full year of continuous employment by the County, with a maximum of one year of leave. If the employee wishes to continue health insurance benefits, the employee must notify the Department of Risk Management as soon as possible, before the end of the month in which their leave commences. An employee granted a leave of absence shall be eligible, when such leave expires, to receive the salary the employee received at the time the leave of absence was granted, provided the budget of the department can accommodate the salary and, if not, the employee shall be eligible to have the salary received at the time personal leave started restored at the earliest possible date.

### B. MATERNITY/PATERNITY LEAVE

Cook County is committed to supporting employees and their families, particularly when parents require time off upon the birth of a child or placement with the employee of a child for adoption or foster care.

FMLA may run concurrently with Maternity/Paternity Leave, however FMLA eligibility is not a precondition. An Employee may use accrued benefit time as appropriate in order to be paid while on Maternity/Paternity Leave. This leave should not exceed six (6) months.

Ordinary disability benefits may be available for eligible employees. Employees should contact the Fund with questions pertaining to Ordinary Disability Benefits.

### C. FAMILY AND MEDICAL LEAVE (FMLA)

FMLA entitles eligible employees to take unpaid, job protected leave for specified family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the employee had not taken leave. Employees who have been employed by the County for at least 12 months (not necessarily consecutive) and have worked at least 1,250 hours during the prior year may be eligible for FMLA. An eligible employee may use up to a total of 12 work weeks of unpaid leave in a 12-month period for one of the following reasons:

The birth of a child and to bond with a newborn child within one year of birth;

The placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement;

To care for the employee's spouse, child, or parent who has a serious health condition;

A serious health condition that makes the employee unable to perform the essential functions of the job;

Any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to cover active duty) in the Armed Forces;

If the employee is the service member's spouse, son, daughter, parent, or next of kin (Family Military Leave), they are eligible for twenty-six work weeks of unpaid leave during a single 12-month period to care for a covered service member with a serious injury or illness.

When the need for FMLA is foreseeable, the employee must provide the designated Human Resources Officer with at least 30 days advance notice. When the need is not foreseeable, the employee must provide the designated Human Resources Officer with notice of the intention to take leave as soon as practicable. The employee and their physician must provide sufficient certification supporting the need for the leave. The employee must use the approved FMLA for its intended purpose only. Employees are required to have a physician submit FMLA recertification documents if the type or length of leave changes.

### D. THE VICTIMS' ECONOMIC SECURITY AND SAFETY ACT ("VESSA")

An employee who is a victim of domestic, sexual or gender violence or any other crime of violence, or who has a family or household member who is a victim of domestic, sexual or gender violence or any other crime of violence, whose interest are not adverse to the employee as it relates to the domestic, sexual or gender violence or any other crime of violence may be eligible to take VESSA leave from the first day of employment. Employees seeking VESSA leave should notify the designated Human Resources Officer at least forty-eight (48) hours in advance or as soon as practicable. An employee shall be allowed up to 12 weeks of unpaid leave in any rolling 12-month period to address issues arising from domestic, sexual, or gender violence or any other crime of violence. Employees should contact their designated Human Resources Officer with questions pertaining to VESSA Leave.

### E. FAMILY MILITARY LEAVE

An eligible employee who has exhausted all vacation leave, personal leave, compensatory leave and any other leave granted to the employee, except sick and disability leave, may take up to 30 days of unpaid Family Military Leave due to the employee's spouse or child being called to military service. The number of days of leave provided under the Illinois Family Military Leave

Act will be reduced by the number of days of Qualifying Exigency Leave provided under the Family Medical Leave Act (FMLA) and as further detailed in the offices' or agencies' FMLA Policy.

Employees should contact their respective designated Human Resources Officer with questions pertaining to Family Military Leave.

### III. DISABILITY PROVISIONS

Employees should contact the Fund to obtain an application, benefit information, eligibility rules, and other documentation pertaining to ordinary or duty-related disability.

#### A. ORDINARY DISABILITY

Ordinary disability is the result of injury or illness due to any cause other than that incurred in the performance of an act of duty. Employees seeking ordinary disability benefits are required to use all accrued paid leave (sick, personal and vacation) before any disability payment can be made by the Fund.

Employees must also inform their supervisors and department heads of their intention to apply for disability, as well as the length and terms of any benefits granted by the Fund. Employees must notify their department heads of their readiness to return to work before the termination date of their disability leave. In all cases, employees must notify their department heads within one business day after being released for duty by a physician or the expiration of benefits, whichever comes first.

An employee who is on official disability leave and returns to work within 60 calendar days after disability leave is terminated shall be eligible to receive the salary paid at the time disability leave started and the appropriate salaries when the employee returns, provided the budget of the department can accommodate the salary and, if not, the employee shall be eligible to have the salary received at the time disability leave started restored at the earliest possible date.

#### B. DUTY-RELATED DISABILITY

Duty-related disability results from injury or illness that arises out of and in the course of employment and accordance with the Illinois Worker's Compensation Act, 820 ILCS 305, et seq.

It is the responsibility of injured employees to report any injury, regardless of severity, to their supervisor as soon as, but no more than 45 days after the injury occurred. The responding supervisor should ensure that the employee is provided with the appropriate medical response to the injury. The supervisor may, depending on the nature of the injury, request outside medical response to the situation. Once the injured employee provides verbal notice, the supervisor or manager is responsible for reporting the claim to the Department of Risk Management.

Cook County Department of Risk Management is responsible for the administration and payment of Worker's Compensation benefits for injuries or illness sustained in the course and scope of employment with Cook County. The Department of Risk Management performs these duties in accordance with the Illinois Workers' Compensation Act.

The injured worker is required to cooperate with the Department of Risk Management and at a minimum, must provide written medical updates within 24 hours of any evaluation and updated medical information and work restrictions every 30 days or as

otherwise requested. The work restrictions should be shared with the employing department, and the employing department should make an effort to provide modified duty as outlined in the work restrictions.

Any employee who is off duty and receiving supplemental temporary total disability may be eligible to receive duty disability benefits as provided under the provisions of the Cook County Employees Annuity and Disability Fund. Separate application must be made with the Fund.

No employee shall return to duty after having been carried on supplemental temporary total disability or on temporary total disability compensation without a physician's approval to return to work and authorization from Cook County's Department of Risk Management.
